

**"A searing work, *Red Dog Howls* is an indelible powerhouse of a play."
- Aram Saroyan, Poet, Novelist**

***Red Dog Howls*
By Alexander Dinelaris
Directed by Ken Rus Schmoll
September 5 - October 14**

A box of old letters and a father's dying wish lead Michael Kiria-kos to dig up the buried memories of his hidden family history. After a series of mysterious encounters with Rose, a captivating elderly Armenian woman, Michael eventually uncovers a past he never knew - one of exile, sacrifice and ultimately redemption.

Written by Alexander Dinelaris (*Still Life*) and directed by Ken Rus Schmoll, *Red Dog Howls* explores the horrors of a forgotten genocide, the enduring strength of the human spirit and how the choices we make for our children will - for better or worse - reverberate for generations to come.
